Dear William,

I am excited to apply for the Athletic Compliance Student Intern position within the Office of NCAA Compliance at Binghamton University. Pursuing a Master of Science in Information Technology with a strong background in software development and project management, I am eager to contribute to the success of the Athletics Department while gaining valuable experience in compliance and student services.

My proficiency in software tools such as Git and Visual Studio Code, along with my experience in maintaining databases and designing user interfaces, aligns well with the responsibilities of the internship.

Moreover, my leadership experience as a Student Assistant at the Innovation Lab highlights my commitment to supporting educational initiatives and fostering a conducive learning environment.

I am drawn to this internship because it combines my academic background with my passion for athletics. With a strong work ethic, excellent communication skills, and a high level of integrity, I am eager to contribute to the Office of NCAA Compliance at Binghamton University.

Thank you for considering my application. I am available for an interview at your earliest convenience and have attached my resume for further details on my qualifications.
